

# Sabrina's Prayer Update

Mar/Apr 2022

Last week, OMF Cambodia missionaries had an in-person Church Planting Gathering meeting on "Iron Sharpens Iron". One third of our people could not attend the meeting because of having mild Covid positive symptoms. We thank God that despite having smaller groups we had a good time to share the challenges we face in ministry. We thank God for the time of Listening and hearing from each other about the struggles we have faced at each stage and how God led us through with His grace and strength. We were encouraged by God's Word from Hebrews 12 that we are to KEEP ON KEEPING ON: Perseverance in Gospel Ministry!

**Prayer 1: Pray for God's protection on the health of us all and a speedy recovery for those who had Covid positives.**

Thank you for praying for us as the church is planning to move towards independence. I was very encouraged to see that we have moved from a stage of, "We do, you help" to "You do, we watch." It was such a joy to watch Srey, one of our church leaders, lead the women bible study online on her own. I sensed that she really trusted the Holy Spirit to give her wisdom to ask good and meaningful questions of the Bible passage.

Nowadays, false or cult teaching is spreading rapidly in Cambodia through social media. From March, our WBS online will focus on studying the books on 1, 2, and 3 John.

**Prayer 2: Pray for Srey and Sokhieng to have God's given wisdom to know the truth of God in order to recognize the false gospels.**

I have another encouraging story to share with you during this high COVID-19 infections time. We had church members infected by this virus who had to isolate in the church. Thank God for others who were well. They brought food to the sick and then helped them to clean up the church after they recovered. They all gave thanks to God for blessing them with good health for the sake of helping others. And the sick, who had received their help, experienced the love of God showed in the body of Christ! (Rom 8:28) PTL!

The number of daily cases of the "Omicron Virus" still remains high in our communities. Our worship at Hope for Life Church returned to online meetings. We thank God that meeting online doesn't seem to affect people's participation :)

**Prayer 3: Pray for creativity, wisdom and discernment to those who share God's Word during Sunday Worship online.**

Thank you all from the bottom of my heart for your prayers and support!!!

*Shalom  
Sabrina*
