

Sabrina's Prayer Update

July/Aug 2022

Thanksgiving and Praise :)

My heart is filled with joy and thanksgiving as I write this prayer letter. I thank God for answering your prayers; I had a good health test result in Singapore. I also thank God that we had a very encouraging field conference last week. The theme of the conference this year was 'Joy in Sorrow'. Through Jeremiah's life we learned that we can experience joy and sorrow at the same time. Jeremiah was surrounded by grief and sorrow; he was not afraid of the pain. He sat with it and cried out to God. He chose to put his hope in the Lord Himself because the steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. (Lam 3:22-23)

New series teaching of Layers of worldview influences on the Cambodian mindset:

Recently, I met a young Christian, named Seyha who came to believe in Jesus last year through a friend of mine. After he became a Christian, he faced persecution in his work place. People looked down on him and said he had betrayed his Buddhist faith. He was frustrated and angry with his colleagues.

He poured out his heart and asked us how we can help him to defend his faith in his work place. After much prayer, God laid on my heart to share and discuss with him how the layers of worldview influence the Cambodian mindset.

I will also introduce this topic to our monthly ladies' group.

Prayer 1: Please pray that God will give me wisdom and discernment to guide Seyha and the ladies' group to anchor their faith in God's truth as we spend time discussing these worldview influences.

Spiritual battles:

Veasna, the potential future leader of the church, together with his wife have made some unhealthy financial choices under pressure from family, cultural expectations and bad habits.

Prayer 2: Please pray that Veasna & Thida will learn to stand strong against expectations that ruin them. Pray that God's Spirit will convict them to make wise decisions that honor God's name!

Praise the Lord that Fong is fervently sharing Jesus with others; however, at the same time, she is experiencing many spiritual attacks from Satan.

Prayer 3: Pray for God's protection and healing from sexual abuse for Fong's three-year-old granddaughter.

False Teaching:

We have a church member who comes from a background of counterfeit religion.

Prayer 4: Pray for the Holy Spirit to open his mind and heart to receive the truth of God through our bible teaching.

Prayer 5: Pray for a restful holiday this week!

Thank you so much for your partnership with me through your faithful prayers and support!

*Rejoice in Him
